

What kinds of issues might be significant for your family's enjoyment of the Parish in 2030?

The NP topic groups have been analyzing published data on Housing, Landscape, Open space and footpaths, Heath and Community services, Employment and business.

The NP Roads, Transport, and Parking Topic group are investigating the current impact of Parking at both the Primary Schools in the parish.

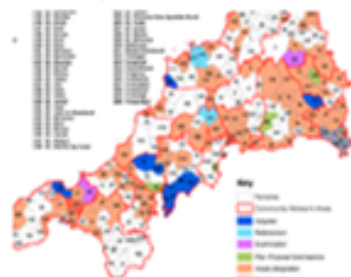

Trewidland School

- Do we want this to still be happening in 10 years time?
- Should we be campaigning for new extra parking?
- Should the parish council be prepared to buy land for parking?
- In Dobwalls – should we use money raised by the Parish council to improve the memorial hall car park?
- Or should we be providing safer walking routes to School?

What is a Neighbourhood Plan?

A Neighbourhood Plan is an opportunity for everyone in a parish to influence the decisions that will affect the parish in the future

What might this mean in practice?

Dobwalls School

Members of the Neighbourhood Plan Steering group have joined many local groups over the September – November period to explain current progress of the neighbourhood Plan project. NP stalls at the Christmas events in Dobwalls and Trewidland allowed more people to find out what is going on.

What happens Next?

1. Making contact with key stakeholder groups including:

- local Businesses,
- Landowners
- Developers

- to make sure we have a clear idea of potential development opportunities which may still be at early planning stages.
2. Detailed Questionnaire setting out key issues and alternative solutions which will go to all households in the spring of 2018.
3. Meetings with local community interest groups over the spring and summer of 2018 to raise additional issues and refine Aims and objectives
4. Roadshow/ Exhibition in 2018 at Dobwalls Trewidland and Doublebois to allow everyone to come along and discuss the Vision for the Plan, possible policies and locations for future development in more detail.
5. Housing needs survey to be carried out in the Spring of 2018
