

Delayed steering group meeting (postponed from 28th April)

Agenda;

1. Update on Housing comments?

- Housing group (MT, JD, SJ, BC) have agreed policy changes?

2. **Settlement boundaries/ development boundaries** discussion and develop clear reasoning for boundaries identified. Agree on maps

- Existing built areas in major settlements +Areas which already have planning permissions approved added – *John Brinkoff will assist but will need payment*
- Character of settlement in landscape and importance of existing landscape/ settlement edge characters - *use Arial photo map system used by St Cleer NDP + discussion based on Process steps with details drawn from D&T Landscape Character Statement*
- Explanation of reasons for limiting settlement expansion e,g
 - Lack of / pressure on - local facilities
 - Edge sites unsuitable for development topography etc
 - Major road and rail boundaries

3. Update on Green Infrastructure activity

- **Greenspace designation** response –
 - ⊖ Open space/ Greenspace / Green infrastructure policies draft done MM
- **Creation of new Open Space provision map/** photographic record
 - Add Brian's photos
- **Decide on Dobwalls Greenspace designation** of these spaces and record criteria
 - greenspace group to meet/zoom to discuss this (SS, MM, BC SJ, AT)
- **More fully document PRow status/** policies
 - PRow Dobwalls record pages to JD and SJ for completion/ done - Sean has created new record sheets for each footpath with map/photos to come
 - Send Trewidland PRow record to JD for completion of missing sections
 - Agree strategy for future improvement of walking routes
- Set up local meetings to discuss details
- **New policy?: *Proposed enhancement of greenspace should be delivered through a co-ordinated green infrastructure approach, including input from Cornwall Council, Natural England and other local organisations (this comes from Roche NDP)***

4. Update Consultation Statement document

- Further detailed analysis of community comments Newsletter /Survey/?
Localised information classified in relation to Policy areas - circulated 6.4.21
- Add results from REg14 exercise MM

5. Amend / update all other NDP documents/ website to match final policies/ settlement boundaries etc

- Get Cornwall CC to create final maps - *John Brinkoff happy to work with us.* MM
