# THE VILLAGER PLATINUM JUBILEE SUMMER 2022

HELLO,

And welcome to this special edition of “The Villager” magazine. As you can see from the front page, the Queen wasn’t actually “crowned” until June 1953, but we thought we’d take this opportunity, around the time of the Platinum Jubilee celebrations, to share some lovely photos of Her Majesty.

And the next few pages are given over to how the village and parish of Dobwalls is marking this once-in-a-lifetime occasion, with the official opening of the Jubilee Community Field, fun and games at the football club, a special church service and a message from local Cornwall councillor Jane Pascoe to Her Majesty!

Also in this edition, there’s important information about the new Dobwalls Nursery School and the charity Dobwalls Beer & Cider Festival, an update on the football club and some words and photos on the successful Parish Litter Pick.

There’s a feature on the school venturing into Carnglaze Caverns to “raise the roof”, the first in a series of parish walks by keen walker Sean Jackson and, if you don’t like bats, watch out!

Chrissie Ham introduces herself as the new Slimming World consultant for Dobwalls. Chrissie lost an incredible six stones in just 20 months!

And we’ve been joined by some new advertisers who, along with our loyal regular advertisers, help subsidise the cost of “The Villager”.

Best wishes from the editor Michael Taylor on behalf of the editorial team. We hope you enjoy this edition and we look forward to receiving your ideas for future magazines and any contributions you have for the Autumn edition.

# DOBWALLS JUBILEE COMMUNITY FIELD OFFICIAL OPENING

AS PART of the celebrations to mark the Queen's Platinum Jubilee a special ceremony to mark the creation of the parish's long-awaited community field/ open space will be held on Friday, June 3, at 11.00am.

The event is just one element of a day of Jubilee celebrations which also involves Dobwalls Football Club.

Adrian Wilton, who has lived in Dobwalls for longer than most people in the village and is a knowledgeable local historian, has kindly agreed to officially open the facility on behalf of the parish council. Everyone's welcome and those who can't walk to the field can park their cars at the football club.

At around 11.30 at the club, the parish council clerk Linda Coles will distribute the Jubilee commemorative coins to those who have reserved them. Anyone who hasn't ordered a coin for children who either live in the parish or attend

Dobwalls Primary School can turn up on the day, with proof of their address, and they will be able to receive a coin. Or, just email the parish clerk [clerk@dobwallspc.org.uk](mailto:clerk@dobwallspc.org.uk)

**FOR MORE ABOUT THE JUBILEE CELEBRATIONS JUST TURN THE PAGE**

# FUN, FOOD AND MUSIC FOR ALL

AT DOBWALLS Football Club there will be entertainment for the children, including a bouncy castle and other play equipment. More activities are planned. Well-known local DJ Jackie Hocking will be spinning the discs. Refreshments will be available, with the club bar open and a choice of hot and cold food.

Parish council chairman John Dunn says: "The club could do with more volunteers to help out on the day, so if anyone can spare a few hours please let me know and I will pass your details on to the club. You can get in touch with me at [john.dunn@dobwallspc.org.uk](mailto:john.dunn@dobwallspc.org.uk)

"We have been working with the club to make this Jubilee celebration a family day to remember for the village and parish of Dobwalls and I'm sure it will be."

One of the events to mark the 100-year anniversary of the football club is a unique game with a mixture of past and present players. Kick off will be after the official opening ceremony down the lane from the club.

Club chairman Peter Mutton says: "It would be great to see as many members of the community as possible at Lantoom Park for this very special occasion."

**IT MIGHTN'T LOOK  
LIKE MUCH NOW  
BUT, ONE DAY, IT  
COULD LOOK LIKE  
THIS! >  
IT COULD TAKE 1,000 YEARS**

ONE of the trees planted in the parish's Jubilee community space is in memory of Terence Frisby, the wartime evacuee with his brother Jack, who spent three years at 7 Railway Cottages, Doublebois, with a Welsh couple known to everyone as Uncle Jack and Auntie Rose.

Terence, a famous playwright, producer and actor, recaptured those years in his book "Kisses on a Postcard". His story featured in the Spring edition of "The Villager".

**PARISH CLERK LINDA COLES**

Family and friends gathered to celebrate the planting of "Terry's Tree" and Dobwalls Parish Council clerk Linda Coles explained that the seedling was grown from an acorn which came from the famous Darley Oak Tree at Darley Farm in the parish of Linkinhorne on the edge of Bodmin Moor. It's believed to be at least 1,000 years old—the oldest oak tree in Cornwall. It's registered as tree number 12217 on the Ancient Tree Inventory and celebrated as one of the 50 Great British Trees.

Beth Plummer, who lives in Dobwalls, told Terence's family and friends lots of stories about her late husband Ken who knew Terence well and talked a lot about "my little pal Terry". Beth says Terence sent her a Christmas card every year and she's kept them.

Terence Frisby died in 2020, but, through the generations of his family and friends, his memory will live on for centuries in this, at present, modest tree, as it grows to, like Terry, great heights!

## **A JUBILEE TREE AND A SPECIAL JUBILEE SERVICE**

DOBWALLS United Church has planted a crab apple tree to mark the Queen's Platinum Jubilee. The tree, which flowers in the Spring and bears fruit in the Autumn, will be dedicated after a special Jubilee service on Sunday, June 5, at 9.30am.

In the congregation will be parish councillors and the local Cornwall councillor Jane Pascoe.

The photograph below shows church property steward Graeme Jackson completing the planting. The tree was anonymously gifted to the church by a member of the congregation.

The service will include some of the Queen's favourite hymns and a reading of her most loved passage from the Bible.

The service will be led by Ron Bennett, a Reader from St Martin's Parish Church in Liskeard, who was the first headteacher of St Martin's Church of England Aided Primary School in Liskeard.

Afterwards, there's tea and coffee in the church hall.

### **DOBWALLS UNITED CHURCH**

The church hall, which was the old school room, is available for hire.

The hall has excellent kitchen facilities, disabled access and toilets.

The rates are: £8.50 per hour for a minimum of three hours.

# YOUR MAJESTY, CAN I HAVE A WORD IN YOUR EAR?

We're celebrating the Queen's Platinum Jubilee and, if she should have come to Cornwall, I would have told her about the amazing community spirit in the villages in the area I represent on Cornwall Council.

In Dobwalls, I would begin by telling her about the generosity of the villagers contributing essential items to send to Ukraine. I was so pleased to be able to help at Dobwalls United Church, loading the vehicle with the help of the children of Dobwalls School. We formed a human chain and filled up the van and the last item on board was a teddy bear. Like so many of you, my thoughts and prayers go out to those dear people who are suffering and living in fear throughout this conflict.

I would also tell Her Majesty about the Dobwalls annual litter pick, another example of the community working together. A huge success, it was organised by Tracey Kitto, the vice-chair of the parish council. We were joined by the headmistress of the school Kathryn Pipe, some of the Womblers from "Wombling Free" and so many villagers. In no time we had tidied up Dobwalls.

I would also tell the Queen about the outstanding and tireless work that has gone into the making of the Dobwalls and Trewidland Neighbourhood Development Plan, which is nearing completion, with a referendum possibly later this year. She would learn how determined and committed the volunteers are to shaping and safeguarding the villages and the entire plan area. We are, after all, merely caretakers for future generations and we are truly indebted and give thanks to the plan steering group.

As part of the Jubilee celebrations we shall be proud to witness the opening of the new space for nature, purchased with financial contributions from the recent residential developments in the village. I can't believe that in less than a year 1400 trees have been planted and an orchard and wildflower area have been created. This space is for the whole community to enjoy in perpetuity.

I hope you will all join in this memorable occasion to celebrate the Queen's Platinum Jubilee and I truly wish you all the most joyous time.

# QIGONG FOR BEGINNERS WITH KATH REVELL

## ALSO KNOWN AS “NINJA GRANNY”

NINJA Granny explains that Qigong is relaxing and beneficial to mind and body: “It comes from China and is very ancient, dating back to 3,000 BC. The soft, slow flowing movements bring a sense of peace and tranquility, yet at the same time they are strengthening and energising.”

Qigong means “energy work”. The concept of Qi, pronounced “chi”, is central to Traditional Chinese Medicine.

“It enhances your wellbeing and brings many benefits, including improved balance and posture, relief from stress and anxiety, easier movement and reduced pain, improved sleep, enhanced strength, increased energy and improved breathing,” says Kath.

Qigong for Beginners consists of six sessions but Kath explains: “It’s not necessary to come to all six, so come when you can make it. All the exercises are gentle and easy to follow and all can be adapted for sitting.”

Kath, who has been learning and teaching Tai Chi and Qigong for over 30 years, prides herself in bringing “a beautiful depth of understanding of the practice, with clear direction and a gentle presence.”

# SEAN SETS OFF ACROSS THE PARISH

PARISH councillor and enthusiastic perambulator Sean Jackson will be sharing some of his and your favourite walks around the parish in a series of articles in “The Villager” over the next few editions.

Sean explains: “During the pandemic people were able to explore the local area and make use of the parish’s Public Rights of Way (PRoW). So, the magazine editorial team thought it would be a good idea to publish some of the routes people have covered in the last couple of years.

“The first one is called the ‘Great Treburgie Farm Loop’ - and the footbridge has recently been repaired. We are open to suggestions for future routes and would like to see any photographs you have taken while walking the local area. Happy rambling and remember the Country Code!”

Route 1 – Great Treburgie Farm Loop

Distance – 2 miles/3.25 km approx

Time – 1.00 to 1.5 hours

Difficulty – Moderate, due to the steepness of the hills to and from the footbridge

Pram friendly - No

Please follow the Country Code and follow the Public Rights of Way

More information about PRoWs and other famous paths can be found on the Cornwall Council Interactive Map

<https://map.cornwall.gov.uk/website/ccmap/>

Sean writes: From the Highwayman Pub go to Rowes Garage/Five Lanes and turn left down Beneathway. Go all the way down and under the railway bridge to the gate on the left. Go through the gate and south west downhill towards the new footbridge crossing the river. The footbridge is out of sight, so aim slightly left, with the power pole as a marker. Please take care, as you are now entering working farmland—and keep an eye open, as a fox has been spotted in the valley.

After crossing the bridge continue south east up the hill to the first gate, after that you will see another gate which takes you south west towards Treburgie Farm.

Look out for the path markers to help you navigate through the farmyard to the entrance. And check out the cats who live in the barn. At the farm entrance turn right (north) towards Dobwalls MoT

Centre on the A390 at Treburgie Water. Oh, about halfway there's a great view of Dobwalls!

And, please take care crossing the major road.

Take the bridleway from Treburgie Water back to the Twelvewoods roundabout. A fox has been seen crossing the path near the railway bridge. I wonder if it's the same one mentioned earlier?

Once you reach the roundabout, you're almost there. Head back to the Highwayman for some well deserved post-walk refreshments. Other beverages and soft drinks are available, but mine's a pint!

# THE BATS OF BLACKWATER FARM

LISA and Philip Evans moved to Blackwater Farm, Dobwalls, in 2013 and while exploring their fields discovered a row of ancient Oak trees in the valley. The trees had small, numbered boxes attached to them, each with a slit in them.

“We assumed the boxes are for bats,” says Lisa. “They are consecutively numbered from 70 to 80, so we know there are many more on the trees in the fields on either side of our land.

“We were visited by a bat conservation team and were told bats had been filmed using the two mesh, bat bridges across the bypass, which imitate the tree line and allow the bats to safely cross the dual carriageway into our bottom field, so we knew the bats were around.”

Last Autumn a bat inspection took place and Lisa spent the day with ecologist Grace England and her team: “I was fascinated to watch an abandoned hornet’s nest uncovered in one box and birds’ eggs in another. Then we found two sparkly eyed Pipistrelle’s.

“What a wonderful sight!”

Lisa adds that bats, although a protected species, have a bad press, between possible links to Covid and associations with vampires, but they have huge appetites and eat the insects from the farm dung pile!

“Up close they are mythical, with wicked insect-crunching teeth and leathery wings with clawed fingers on the ends.

“I know I’m not selling them to you, but what a fantastically

adapted mammal the bat is, and we will happily continue to protect them on our land while they roost in the gloom of the valley.”

## **Chrissie Ham—a real ‘Lockdown Loser’ - of weight!**

WITH a lifetime of being overweight, Chrissie Ham finally beat the emotional and physical burden of her excess stones and pounds.

Chrissie explains: “It was thanks to the support and inspiration of my Slimming World consultant Penny Boxall and the fabulous Newquay group I joined in January 2020.”

Then, much to her distress, Lockdown happened: “But the support was still there by moving to a virtual group via Zoom and in 20 months my weight went from 15st 5lb to 9st 5lb.” The transformation is plain to see!

Motivated by her success and keen to share Slimming World’s approach to weight loss, Chrissie trained as a consultant for Slimming World in 2021 at their national training academy in Derbyshire.

Chrissie says: “I firmly believe in food optimising and embracing the psychology of slimming, which can be the key to unlocking the slimmer you.”

Chrissie adds: “I want to extend the warmest and most enthusiastic invitation to everyone in the Dobwalls area and beyond to join my 80-strong Slimming World group. So much help, support and inspiration is waiting for you there!”

Chrissie is at Dobwalls Memorial Hall on Wednesdays 5:30pm and 7.00 pm and Thursdays 9:30am.

## **DOBWALLS FOOTBALL CLUB'S "THRILLING FUTURE"**

THE club's chairman Peter Mutton says the past two years have been exhilarating for the club: "Not only have we created a walking football team, but our first team has just finished their most successful season thus far and our reserve team has reached the Launceston Cup Final. We have extended the clubhouse, upgraded the ground to meet the requirements of step six football and installed new floodlights as well as purchasing a new tractor and maintenance equipment.

Most visitors to Lantoom Park comment on how far we have come in such a short space of time. But we as a club hope that this is just the start of a very exciting journey."

Dobwalls Parish Council obtained funding to buy two fields across the lane from the football club. One of the fields has been gifted to the club to be used by it and the wider community by providing additional sports facilities for the club, local people and the school.

Peter adds: "With the addition of the new land, the club has a thrilling future ahead. We are working with Cornwall FA and the Grounds Management Association to develop the land to create new football pitches. The club is a one-star FA affiliated club, but the new pitches will allow us to grow and realise our dream of becoming a three-star FA affiliated club. Within five years we hope to have added a junior girls team, a ladies first team and a disability team. This will allow us to offer football sessions to a wider spectrum of the community from under the under 6's to the over 70's!"

The club is a non-profit organisation which means nothing is achieved without its team of volunteers, whether that's working on the committee or volunteering in the kitchen.

"The club is nothing without its volunteers and every role is vital in moving the club forward," says Peter. "We are always on the lookout for new team members. Whether that's taking on a role within the club or sparing an hour whenever you can. If you are interested, pop along to the big Jubilee celebration match on June 3 for a chat or email [dobwallsfootball@gmail.com](mailto:dobwallsfootball@gmail.com)."

## THE PICK OF THE BUNCH—DOBWALLS LITTER PICK 2022

A BIG “THANK YOU” to everyone who turned up on the day. The parish council is very grateful to all the people who helped with the mammoth task of collecting the numerous bags of rubbish. That includes Cornwall councillor Jane Pascoe, Dobwalls Primary School headteacher Kathryn Pipe, Oliver Jones representing the school and Wombling Free, school pupils, parishioners and parish councillors.

Council vice-chairman Tracey Kitto, who organised the litter pick, says:

“Even though there were many bags of rubbish, items such as tin cans, plastic and glass bottles were kept separate and have been recycled. The weather was good to us and the heavens didn’t open until we had finished our task.

“We would also like to thank the many people who continue to pick up rubbish in the village and parish on a regular basis and we look forward to seeing everyone again next year.”

My name is Martin Clay, and I am a trained, professional and experienced Funeral Celebrant based in South-East Cornwall. My services extend to Devon and the wider West Country region.

At your time of loss, I am here to support you to celebrate your loved one's life in the way you would wish. Each ceremony I craft is personal, meaningful and inspiring. No two ceremonies are the same and each one is built around the qualities, experiences, personality and your memories of the person they were.

When we meet, together we will create a ceremony in which the choice of content is entirely up to you. As a secular celebrant I am not tied to any belief system or religion. I am also available to help you plan your own celebration of life so that when the time comes, your story will be told as you wish it to be.

Please contact me if I can be of assistance for an informal chat with no obligation. I can be contacted by telephone, e mail or through my website which gives an overview of the services I provide.
